MALIBU PERGOLA

MALIBU SHADE

Are you thinking of creating an "Outdoor Living Area"

Malibu Shade has a range of architectural Pergolas and Roof Systems that are suitable for use in all weather conditions and can be used for a large range of residential and commercial applications. Whether a Retractable Pergola for your backyard, courtyard or deck that you're looking for, or a custom made Roof System to meet the needs of a restaurant, bar or commercial project, there is a model to suit. Utilising European technology through a custom direct drive motor system to ensure smooth and quick operation coupled with high grade extruded aluminium profiles, stainless steel components and a second to none running system is why Malibu Shade is at the forefront of our industry worldwide.

Typical Applications

- Restaurant
- Commercial
- Decking / Dining Area
- Balcony & Veranda
- BBQ Area
- Pool / Poolside Shelter
- Jacuzzi / Spa area

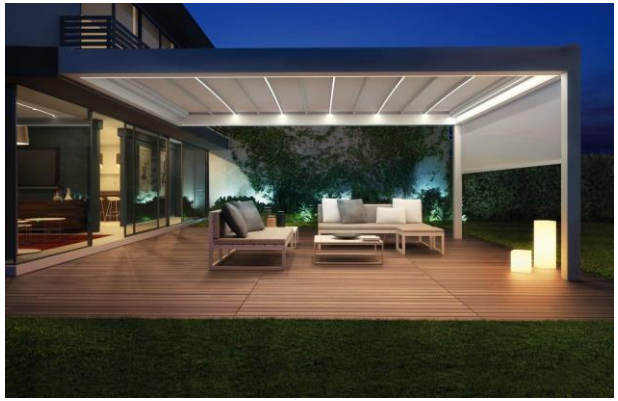
Remote Control Capabilities

Remote controlled motorisation is provided by utilising European technology through a custom built direct drive motor system to ensure smooth and quick operation at 34RPM.

Fabric canopy options

- PVC, Fabrics (Waterproof)
- Available in a range of colours

www.malibushade.com.au



The Malibu Retractable Pergola system provides the user with a designer outdoor covering to allow outdoor areas to be used all year round. The system offers a wind rating up to Beaufort class 11 (up to 117km/h) and is designed to stand up to even the worst of conditions rain, hail or shine.

The system is manufactured to size using high grade 6063 extruded aluminium profiles finished with thermosetting powder coating which provides superior overall performance for exterior product applications. All bolts, screws and pins are high grade stainless steel to ensure extended system life.
